Group Critique

Jul 28 2014

Charlotte Wickham

Poster specs

You should bring a copy of at least **11x14** on Friday.

(portrait or landscape)

My recommendations:

    Print it at 8.5x11 and check it looks good.

    Print/copy the same file/page at 11x14.

Don't forget to put your name on it somewhere!

One option: **Printing & Mailing in Cascade Hall**

    Place your sheet landscape on the glass

    Use the 11x17 paper tray (there will be a 3" gap on one side, cut if off if it bothers you)

    Enlarge (129%)

    Select Color

    45c per copy

Critique Instructions

10mins per person

1. Creator starts with a 30 second description of their purpose and plot, mentioning anything they want advice on.

2. Group discusses:

What do you like?

What works well?

What might need improvement?

Did you try....?

3. Last minute, summarize the discussion, creator takes notes to include in their final writeup.
